

# BIRTHDAY CELEBRATIONS AT DAYCARE

Celebrations are an important part of a child's social development. They are a fun way to mark special occasions! At LLDCC, let's work together to maintain the vision of a healthy Childcare.

## BIRTHDAY CELEBRATIONS

Parents can join for the singing of Happy Birthday. Decorations and party-like events are not encouraged.

Parents are welcomed between 9 am- 10 am. Discuss with Group Caregivers on the best time!

## TREATS

Treats for birthdays add up quickly especially when done frequently, so while it seems like once in a while for celebrations, the events add up.

## WHAT IS ENCOURAGED

Parents, can provide a cupcake (with minimal icing) and a simple party bag (with a healthy snack, a toy, etc.)

## WHAT IS NOT ENCOURAGED

Juices, candies, sweet biscuits are not permitted in party bags.
